

# Transition to School Group

This is a 3 hour group which runs every week during the Victorian school term. The aim of the group is to build children's confidence and resilience as they get ready for their first year of school. Through fun activities and play, children practice skills that will make the transition to school smoother such as sitting and attending, following directions, taking turns, fine motor skills and social skills.

The group is facilitated by an experienced Music Therapist and Early Childhood Teacher and an Allied Health Assistant in a small group setting.

Each child has the opportunity to experience challenges and successes as part of their unique journey towards becoming a confident learner.

Before your first session there will be an opportunity to visit the LEAP Centre with your child, meet the team who facilitates the group and tell us about your child's strengths, special interests, and any other information that you feel is important. We will set some goals together for your child to work towards during the term.

Where: The Leap Centre, 23 Moorefield Park Drive, Wodonga

When: Thursdays or Fridays 9:15am-12:15pm

Cost: \$175.59 per week (NDIS Funded)
